A very special “Train” rolls into town for the CCCRA Friday night concert tomorrow. Featuring our own honorable Mayor Harry Baughn, the band Train was formed in 1979 when its members were in high school in the Sylva, NC area, continued through their college years, and then got the band back together in 2017. Mayor Harry and Train last made tracks to the Friday Concert Series stage in June 2019, wowing the crowd with sounds from the ’70s and ’80s, including covers of Chicago, Earth, Wind & Fire, and others.

[Nocturnal Brewing Company](#) will be offering their craft beer, wine, and delicious menu offerings. Crowd-favorite hot dogs and fresh popcorn will be available from the American Legion Post 532 Auxiliary. Help support our local restaurateur and this key civic organization with your purchases. Be mindful that carrying-in of alcoholic beverages is prohibited by NC law.

The CCCRA Friday Summer Concert Series is made possible through sponsorships from private individuals, businesses, and organizations, and from donations to the “red buckets” on concert nights.

Music gets underway at 7pm, with food and beverage starting at 6pm. We invite everyone to put on your dancing shoes, grab your friends and family, and join us on the Square Friday for a fun ride down memory lane with Train.
